### **Daily Camper Release Plan**

In order to ensure that your camper is released only to those individuals designated on your release form, please comply with the following:

- At the close of each day, you or your authorized driver is asked to park in the main parking lot, in front of the pool. Go to the pavilion to sign out your camper and others being picked up. Names are checked against

those on the child's release form. **A photo ID is required as well.**

- You will get a color-coded tag with the camper's name. Take it to the table with that color sign and give it to the counselor.

- Upon receipt of tag, the counselor will release the camper for the day.

- When a custodial parent requests that a camper **NOT** be released to a non-custodial parent, please denote this when completing the online form.

- If changes require addition of a person to pick up your camper, please call our office at (269) 471-1396 as early as possible. You will not be able to change that information online, once submitted.

- If your camper needs to leave and return during camp hours, we request a written note be handed in at the checkout table in the pavilion, one day prior if possible. Please include camper's name, estimated time of departure and return, and an authorized signature. Campers will be released only to authorized persons listed on your release form. Camper must be signed back in at the office upon return.

**Daytime** release - camp office

**Evening** release - camp health office (red barn)

**Late-night** emergency release - health office (red barn)

**The health and safety** of each camper is very important to the staff of Five Pines. Our Health Officer is available Monday during registration, as well as on the morning of all overnight camps, to receive medications and discuss any special needs of each camper. Please turn over to the health officer **ALL medication** your camper will be taking at camp and tell him/her of **any emotional or behavioral problems** that we should be aware of. State law requires that all medication be in the **ORIGINAL container**. Please do not bring loose, unmarked pills or medications.

On your online health form you may authorize the health officer to dispense common over-the-counter medications such as Pepto-Bismol, Tylenol, anti-itch cream, etc. **Please specify on your online health form specific items you would not like to be used.**

**Scripture Memory Work** is encouraged (but optional) in camp. Each passage of Scripture will be taught daily during Bible class, as well as closing exercises. Our Bible lessons are based on each year's memory verses. Time is set aside for counselors to work on memory work individually with campers. A reward is given at the end of the week. A concentrated group effort will be an encouragement to each camper to learn the verses. Five Pines uses the NIV version, but your preference is acceptable. A copy of the daily memory work is available upon request.
